

# 2011 DAMAnation GSM

This is the wine you'll want to drink while sitting by a fire on a crisp Fall evening, wrapped up in a Pendleton wool blanket and sharing secrets with a best friend. This classic Rhone-style blend has a full body balanced by delicate flavors: hints of cocoa powder, lush raspberry, fraise de bois and light spices of nutmeg. Each taste brings on the sharing of another secret, the creation of another memory, and another taste sensation. Talk about nights that should never end!
