

2012 DAMAnation GSM

Born from the verdant soils of Lonesome Spring Vineyard, this siren song of a wine transports one to that day on the beach where the clouds rolled in, the skies darkened, and a cool, refreshing rain blended with the salt air. Notes of black olive, dark earth and squid ink are countered with the bright acidity of blackberries and just a hint of sage and thyme. Like that beach, this luscious GSM goes for miles...
