

2013 Grenache

Our Grenache is graced with the art of Manuel Orazi, (1860-1934, an Italian Art Nouveau illustrator and poster artist. His poster "La Maison Moderne" was created for the Parisian Jewelry Shop Meier-Graeme). The art represents the strength, elegance and refinement of this 100% Grenache while utterly approachable. Part old world with strong notes of dried fruit, hints of tobacco while the new world notes of sweet vanilla, fresh raspberry and cedar.
