

2014 Collage

Our graceful new 'Collage' wears the artwork of inspiring artist, Sali Swalla, who paints landscapes of the human spirit. This trio of Merlot and Cabernet Sauvignon with a touch of Cab Franc, dances on your palate with its silky textures of ripe blackberry, cassis, and savory sagebrush. The spark of emotion Sali's work elicits is a perfect pairing with this new Merlot blend, for isn't wine a landscape of terroir and vine, blended with the emotion it evokes?
