

2016 DAMAnation GSM

This DAMAnation blend of Grenache, Syrah and Mourvedre is a single vineyard designate wine from Lonesome Spring Vineyard and it is our 5th bottling. What we have always loved about this blend is it's floral components along with it's dark fleshy fruit tones of black plum, the tartness of dark bing cherries and it's hints of white pepper to mint & rosemary. The 2016 vintage embodies all these characteristics and it's bright acidity & silky tannins keep everything in balance.

Varietals: 48% Grenache, 36% Syrah, 16% Mourvedre,
